THE PURPOSE OF A CORE PRAYER TEAM

Purpose of a core prayer team is to undergird others. If we are to undergird others in prayer, we must know that those prayers are for the purpose of holding them together on mission as well as in the storms they will face, because God will bring them through.

Acts 27:16-17 *"And running under the shelter of an island called Clauda, we secured the skiff with difficulty. When they had taken it on board, they used cables to undergird the ship; and fearing lest they should run aground on the Syrtis Sands, they struck sail and so were driven."* (NKJV)

John 15:26-27 *"But when the Helper comes, whom I shall send to you from the Father, the Spirit of truth who proceeds from the Father, He will testify of Me. And you also will bear witness, because you have been with Me from the beginning."* (NKJV)

Prayer layers are like double walls of prayer. Parakletos (helper, one called to another's side, undergird)

- **WHY:** the role for strategic core prayer team is to come along side spiritually and to undergird in prayer for a ministry team and/or individuals so they can accomplish on the land for the man the mission God has intended **Acts 27:16-17, John 15:26-27**
- **WHAT:** Praying for the mission prophetically, in regards to the spiritual atmosphere of the land, the leaders (those traveling on mission) and the man (those that live in the nation) **Genesis 13:7**
- **HOW:** by establishing a strategic prayer team that understands the importance of submission has the right heart motivation and is willing to yield to others. Intercessors must fight to yield; we must come up underneath those in authority. Then these prayer leaders can be put in place **James 3:13-18**
- **WHERE:** Praying in a hidden place of prayer, together as a team, or individually during the day and night hours. Holding your spiritual position in the flow of unity do not leave your position of prayer. **Esther 2:19; 21-23**
- **WHO:** Be sensitive and led by the Holy Spirit in prayer for the area of prayer you are praying for corporately or individually; commit daily to pray for them while on mission

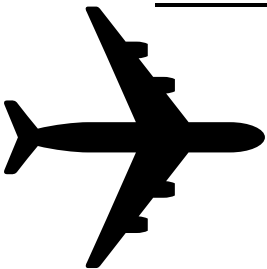

PULLING THE GIFTS TOGETHER – IDENTIFY TEAM LEAD AND PUT PEOPLE IN POSITION

Identify the team lead(s) for each mission, gathering or prayer ministry. Make sure a Spiritual Administrator(s) is taking the team lead to help administrate the flow of the team and the mission in regards to prayer. Utilize the survey completed by the team to see where people are the strongest in prayer and plug them into the team.

PRAYER LAYERS:

When the "Spiritual Ground Troops" are deployed on a mission in the land, the "Spiritual Air Force" must be in position to pray so the grounds troops are effective. The "Spiritual Navy Seals" can see things from a different advantage and are "special ops". When each person works in the area of their strengths in prayer, there is a natural outflow of God moving among His People to accomplish His mission for His Kingdom. The **land, waters, mission team** and the **local man** are all areas that must be covered in prayer.

HOLDING YOUR SPIRITUAL POSITION IN PRAYER THROUGH

Spiritual Air-Force are praying for the land, the team that is going on mission and the overall mission. They are not physically present on the mission but are seeking the Lord from another location praying.

Spiritual Navy Seals see things from a different advantage in the Spirit in regards to the land and water.

Spiritual Ground Troops are the team members going on the mission in a land who are praying for the local man in the land!

COVENANT AND IN UNITY

Esther 2:19; 21-23 *"When virgins were gathered together a second time, Mordecai sat within the king's gate. In those days, while Mordecai sat within the king's gate, two of the king's eunuchs, Bigthan and Teresh, doorkeepers, became furious and sought to lay hands on King Ahasuerus. So the matter became known to Mordecai, who told Queen Esther, and Esther informed the king in Mordecai's name. And when an inquiry was made into the matter, it was confirmed, and both were hanged on gallows; and it was written in the book of the chronicles in the presence of the king."*

Mordecai was in position to hear what he needed to hear to bring to Esther who was to go to the king. When we know what our position is to the mission and how it plays into the bigger team, we will guard it.

KNOW THE CULTURE OF THE MINISTRY, CHURCH OR GATHERING

We do not want to cause our brethren to stumble so being sensitive to the spiritual authority that has been established and not override just because we have a certain gift. We do not want to compromise or quenching the Holy Spirit either. This is something we learn as we engage with each other with various gifts and expressions of our faith.

STAY IN YOUR LANE AND DON'T JUDGE OR ENVY OTHER'S GIFTS

God has gifted you your gifts and made you for great purpose. We should view others the same way and realize if we are both children of God, we both have something to offer in His Kingdom. For example, in a marriage relationship based on Christ, the wife's gifts are the husbands and the husband's gifts are the wives. When they work together in Covenant, they are stronger together than apart. Learn to value the gifts in each other.

UNDERSTANDING SUBMISSION, YIELDING & HEART MOTIVATION

James 3:13-18 *"Who is wise and understanding among you? Let him show by good conduct that his works are done in the meekness of wisdom. But if you have bitter envy and self-seeking in your hearts, do not boast and lie against the truth. This wisdom does not descend from above, but is earthly, sensual, demonic. For where envy and self-seeking exist, confusion and every evil thing are there. But the wisdom that is from above is first pure, then peaceable, gentle, willing to yield, full of mercy and good fruits, without partiality and without hypocrisy. Now the fruit of righteousness is sown in peace by those who make peace."* (NKJV)

Without submission to authority an entire mission is thwarted because there will be internal and external struggle with the team lead and all those who are waiting for

direction. Mutual submission and yielding are necessary for a team to work together effectively. How is this accomplished? Be learning to yield with the right heart motivation when your ideas and thoughts are not received or considered. This is a process of learning working with others and at the same time allowing the Lord to work the fruit of the Spirit in and through you.

UNDERSTANDING THE LAND AND THE MAN

Genesis 13:7 *"And there was a strife between the herdsmen of Abram's cattle and the herdsmen of Lot's cattle: and the Canaanite and the Perizzite dwelt then in the land. (NKJV)"*

This is where the Spirit led researcher as well as the navigator become fully involved as they hear from the Holy Spirit. The Spiritual Condition of the Land must be revealed and dealt with in prayer. The land effects the man therefore, the land, leader and the man are all areas that must be covered in prayer.

IMPORTANCE OF WORSHIP, WORD AND PRAYER-SETTING AN ATMOSPHERE

UNDERSTATING THE MISSION(s)

The Spiritual Army of the Lord and their Role:

EACH MISSION IS UNIQUE AND PRAYER STRATEGY CAN CHANGE:

Isaiah 62:10 "Go through, Go through the gates! Prepare the way for the people; Build up, Build up the highway! Take out the stones, Lift up a banner for the peoples!" (NKJV)

Prayer Wall around a Corporate Gathering (ex: Exalt)

SUGGESTED STEPS TO DEVELOP PRAYER WALLS AROUND A MINISTRY:

- Staff and Leaders should seek out individuals that will commit to pray for them on a weekly basis (with this comes teaching the leaders about prayer) many don't understand the benefit of having a prayer partner.)
- Each area of ministry should have prayer coverage by a team committed to pray for that ministry (at least monthly and as needs come up) it could be those within that ministry.
- It's important to have teaching on what is prayer to establish a culture of prayer from the top down.

SUGGESTED STEPS TO DEVELOP PRAYER WALLS AROUND CORPORATE GATHERINGS:

- Establish teams to go in and pray before each gathering. To pray over Worship, Message, The Speaker, and the people
- Intercessors praying during the outreach/gathering

ATMOSPHERE PRAYER:

- Setting an atmosphere for the Lord (early morning prayer is for those ministering to come together in unity)
- Covering every area in prayer Worship, Word, Technical, People
- Worship Intercessors strategically placed to pray

OTHER AREAS OF PRAYER:

- Individual prayer requests that come in through the week
- Praying for other ministries
- Praying for the leadership and ministry
- Praying for Key Missions
- Praying for individuals
- Praying for our community
- Praying the WORD

SUGGESTED STEPS TO DEVELOP PRAYER WALL AROUND CITIES, STATES AND NATIONS:

PUTTING INTO ACTION:

When a ministry/individual seeks out prayer for travel on mission, establish what level of prayer coverage is needed. If it is strategic then the following needs to take place.

Establish a spiritual-administrator (facilitator) to lead the prayer mission

Each Prayer Team Lead is activated for service in their position

Gather the names of the individuals going on mission and their position, if known.

Travel dates, daily itinerary and schedule, time zones considered, key places of ministry

Research team begins to spiritually map the land and history as the Lord leads them

One on one prayer team lead assigns prayer warriors to each leader and person going on mission, with their responsibility on the mission, if given.

The dreamers/visionary/seers begin praying and hearing from the Lord and send what they are hearing to the lead dreamer/vision person on the prayer team.

Those who hear prophetically spiritually for direction through His Spirit and God-given resources and His Word begin to establish prayer points for the mission to give direction that sets the course in prayer.

Daily Prayer Points with scriptures can be created to share with those praying one on one and those praying over the whole mission after praying

If there is a person of prayer on the land give them training material how to pray for their own land. Positional Leader, Priest, Prophet, Scribe, Gatekeeper, Navigator/
